Joseph Cassanova and Amour Mystique

Joseph Cassanova & Amour Mystique, is an eclectic band of four gentlemen from Corpus Christi - "Sparkling City by the Sea", Texas - "The Lone Star State" in United States of America - "Gold Mountain."

The band, known as Joseph Cassanova & Amour Mystique, was founded in 1991. They had previously specialized in Hard Rock and Latin Rock, performing at many venues in Texas and Mexico, including Miller Light Bayfest for 1,000 people in Corpus Christi.

Since 1977, the seasoned professionals have devoted their lives to performing and recording music. Brothers Joey Perez and Steve Perez were joined by cousin Chris Tapia, in the musical venture; composing, recording and singing original tunes. Joey Perez passionately croons the vocals. Steve Perez subtly sets the melodies. Chris Tapia brilliantly composes the music.

Joey Perez's operatic vocals are influenced by Luciano Pavarotti. He was the vocalist on "Mercury", "The Rising Sun" album; "Lonely Heart", "Lonely Heart" album; and "Chosen by Force", "Chosen by Force" album.

Steve Perez's melancholic melodies are influenced by Steve Clark of Def Leppard and John Spinks of The Outfield. He played with Lonely Heart, *Lonely Heart* album.

Chris Tapia's musical mastery is influenced by Ace Frehley of KISS and Eddie Van Halen of Van Halen. He played on Mercury, *The Rising Sun* album; and Lonely Heart, *Lonely Heart* album.

One sublime Friday, March 28, 2014, Raymond Douglas Chong joined Joseph Cassanova & Amour Mystique. He brought the essential luster for the band as their poetic lyricist. He is the mastermind of their Concept Album theme, amour between the Bamboo and the Peony. Ray is influenced by haunting vocals and lyrics of Phyllis Hyman. He compiled his love poems in two books: *Plum Blossom Love Poetry: Between Dragon Village and Gold Mountain* and *Orchid Flower Love Poetry: Amorous Moods of Sensuous Passion*.

Joseph Cassanova & Amour Mystique introduces a unique genre of love songs – “Amour Mystique”.

The genre is a mystical blend of exotic sounds, sights and senses in erotic passion and fire. Its lush rhapsody is a vibrant mix of contemporary and traditional melodies and lyrics. It is a hybrid fusion of East and West, China and America, and Old and New.

The love songs of “Amour Mystique” consist of soaring vocals, haunting music and enchanting lyrics. They are framed in a Concept Album, a love tale between the Bamboo and the Peony, by Joseph Cassanova & Amour Mystique.
